## **Death of HFOF Patron Jagjiwan Singh**

We were very sorry to hear of the death on 31<sup>st</sup> October 2017 of Hounslow Friends of Faith Patron Jagjiwan Singh Rihal. He was 87.

Jagjiwan worked actively for good relations between faiths for many years. He was an early member of the group which set up Hounslow Friends of Faith and supported the organisation as both chair and treasurer. He was active in interfaith circles at national level, serving for a time as Co-Chair of the Inter Faith Network for the UK.

Within the Sikh community he was a sponsor for the foundation of the Gurdwara Sri Guru Singh Sabha in Alice Way in Hounslow, where he acted both as Chairman of Trustees and subsequently as President. He was involved with a number of local community groups, such as the Pensioners' Alliance among others and a school governor.

The funeral took place at the gurdwara on 7<sup>th</sup> November. We send our condolences to his widow Kuldeep Kaur and his family.

## **Inter Faith Week 2017**

Inter Faith Week is marked across the UK each year in mid November with a wide range of activities, all designed to bring people of different faiths together and show the positive contribution faiths can make to society.

Below are some events open to the public taking place locally.

## **Women's Group 15<sup>th</sup> November**

The HFOF Women's Group is holding a Bring and Share Food Evening for women on Wednesday 15<sup>th</sup> November. The event is hosted by the Ladies Section at Baitul Noor, Ahmadiyya Association Mission House, 327 Martindale Road, Hounslow TW4 7HG and starts at 7pm. Bring a small dish of food to share, sweet or savoury. We would love also to have the recipe!

Please note that as the meeting is on this occasion at a Muslim centre, please no dishes containing pork or ham, or, of course, alcohol.

## **The Bundle – An Asylum Seeker's Story 18<sup>th</sup> and 19<sup>th</sup> November**

Based on the true story of a woman and her three young children, The Bundle follows Adilah's abuse and denial of human rights in Chechnya. Escaping her forced marriage she arrives in the UK, where she has to face the Home Office's 'hostile environment' with regard to asylum seekers and refugees.

The performance is at Brentford and Isleworth Quaker Meeting House, Quakers Lane, London Road, Isleworth TW7 5AZ. Running time is 65 minutes with tea and coffee after the show.

Tickets are free but must be booked via Eventbrite on [www.eventbrite.co.uk/e/the-bundle-tickets-39141254546](http://www.eventbrite.co.uk/e/the-bundle-tickets-39141254546). Donations are requested for Refugees Welcome Hounslow, a project initiated by Hounslow Friends of Faith.

## **Younghusband Lecture 16<sup>th</sup> November Rehumanising Public Space?**

An event in central London which may be of interest is the annual Younghusband Lecture, organised by the World Congress of Faiths. It is being given from 6.30pm to 8.30pm on Thursday 16 November at the Montagu Centre, 21 Maple Street, London W1T 4BE.

Professor Chris Baker of Goldsmiths University and Director of Research at the William Temple Foundation will discuss the contribution a renewed interest in religion and spirituality gives to political and civic regeneration. The event is free, with a retiring collection for the work of the Congress. To register your place, please go to [www.wcf-yhl2017.eventbrite.co.uk](http://www.wcf-yhl2017.eventbrite.co.uk)

## **Other events**

The Remembrance Day Service at Richmond Synagogue on Saturday 11<sup>th</sup> November will have contributions from a range of faith traditions.

Hounslow faith representatives on Richmond Interfaith Forum and Richmond SACRE (Standing Advisory Council for Religious Education) will be attending the Mayor of Richmond's Tea Party to mark Inter Faith Week at York House on 13<sup>th</sup> November.

There will also be special events to mark the week at schools and colleges and places of worship. Students at West Thames College will have a variety of activities specially chosen to highlight the week. At the Gurdwara Sri Guru Singh Sabha the children will be sharing the story of Guru Nanak and his Hindu and Muslim disciples.

The aims of Inter Faith Week are to increase awareness of the different faith communities in the UK and celebrate the contribution their members make to their neighbourhoods and to wider society. It is also an opportunity to increase understanding between people of religious and non-religious beliefs. These events all play their part in achieving this.

## **Refugees Welcome Hounslow arrivals**

By the time you read this the first family with children is due to have arrived with another coming later this month. A group of volunteers has been busy preparing the house. Thank you to all those who have donated money and

goods. No more items are needed for the moment, but may be later when new families arrive.

Refugees Welcome Hounslow is now an independent association with two trustees nominated by HFOF. A bank account has now been opened. If you would like to make a financial contribution towards a few new things for the new arrivals or for the work generally please let our treasurer know on [treasurer.rwh@gmail.com](mailto:treasurer.rwh@gmail.com).

Meanwhile there is still a need for offers of two bedroomed properties which could be rented for up to two years. Experience suggests that as no agent's fees are involved and void costs are covered, this need not be a costly offer for landlords. To find out more, email Refugees Welcome Hounslow on [refugeeswelcomehounslow@gmail.com](mailto:refugeeswelcomehounslow@gmail.com).

### **Consultation on Borough Future**

The Hounslow Together Board, the local strategic partnership board of public, private and voluntary sector organisations, is refreshing the long-term, overarching partnership strategy for the borough, the Future Borough Strategy.

Below are links to the three summary papers created to stimulate discussion on these issues:

- [Paper 1 People based outcomes.docx](#) ([open link](#))
- [Paper 2 Place based outcomes final.docx](#) ([open link](#))
- [Paper 3 Relationship Outcomes.docx](#) ([open link](#))

### **Hate Crime Awareness Week**

Hate crime is harassment and abuse, verbal, physical or online of people just for being who they are – whether because of their race, faith, gender, age or sexual orientation.

At the faith event there was information about hate crime and how to report it and reassurance from the police that all reports are followed up. Messages of support were given by Christian, Jewish, Hindu, Muslim and Sikh faith leaders.

Also during the week there was a pop-up stall highlighting LGBTQ hate crime at the Brentford Campus of the University of West London and a session at the Civic Centre led by Speak Out which works with people with learning difficulties. There were also stalls at

Barclays Bank and the Treaty Centre in Hounslow High Street.
